

Commonsense Tips for Craig's List

- When posting on Craig's List, do not use any personal email addresses. Substitute your email address with anonymous email that is endorsed by Craig's List, so that your true email address is not publicly displayed.
- Use only your first name only in advertisements
- Do not post or provide any personal information (ie..address, home phone number, social security numbers, etc..) or financial information (bank account numbers, bank routing numbers, etc..) on Craig's List or to people contacting you in reference to your posting.
- When accepting payments, deal only in cash
- When arranging a meeting, meet only in a public location
- Always, verify products or services are legitimate prior to making the purchase
- If something sounds too good to be true, it usually is
