A. July 8, 2014

With minor adjustment motion made and second to approve meeting minutes.

IV. Discussion Item.

A. Riparian Grant.

The EAC review procedure, policy and applications of the Riparian Grant Program.

Ms. Magliocchetti makes motion that the EAC work with the Solicitor to devise a plan to work with the settlement parties to discuss proper re-disposition of the money.

The three million dollar fund, which is now approximately two point eight million dollars, would potentially be repurposed to a non-profit, or other entity and EAC would like time to work with the Solicitor to find who that entity may be, and how that process would work. The EAC would be granted permission to work with the Township Solicitor and would provide that workable means to the Board of Supervisors at a later date. Motion is second.

Motion voted 3:1.
