## **INTERIM MANAGER'S REPORT**

### **Fund Balance Report**

Mr. Nyman noted that the Fund Balance Report and Budget vs. Actual reports are in Board packets.

### **Jericho National Golf Course Riparian Application**

Mr. Nyman provided an overview of the Jericho National Golf Course Riparian Application.

Mr. Tierney believes that the Golf Course is using the Falkenstein application to their advantage to get work done on the Golf Course property. He would support a joint application with the Falkensteins and only remediating Site C on the Golf Course proposal.

Mr. Rattigan proposed a site visit by staff and EAC members to better understand the proposal and report back to the Board at the next meeting, including site photos.

Mr. Tierney could support that, but requested a plan for the Falkenstein property be ready for approval at the next meeting as well as a Plan B.

Cathy Magliochetti, EAC Vice Chair, stated the EAC would like to see the application and would try to do a site visit before the next Board meeting.

Ms. Ryan stated that this is an opportunity to restore a large swath of Jericho Creek with the Golf Course finally proposing to work with the Township. She considers the projected costs to be reasonable.

Mr. Tierney stated that he is concerned we will run out of funds doing this project and that the real problems are upstream.

Ms. Ryan disagreed stating she believes this project to be less expensive per linear foot than the Falkenstein project. She does not see a risk or downside to this proposal.

Mr. Tierney stated that this was an irresponsible way of spending funds.

Mr. Breeden stated that Jericho Creek is not the only problem area that the grant covers. He stated concern about spending all of the money on design and not remediation. He agrees with the EAC site visit.

Mr. Cino recommended giving the proposal to staff and the EAC for a site visit and having them report back at the next meeting.

Mr. Breeden stated that the Township needs to get something to the Falkensteins as soon as possible.

Mr. Tierney stated that his Plan B for the Falkensteins would come from our Engineer and would not need a golf course easement and would place rocks in a ditch on the property line. The Golf Course project should be considered after all other projects.

Mr. Rattigan stated that as the Golf Course application is for 5 areas, could we consider an onsite remedy of the Falkensteins and also review the Golf Course application.

Mr. Breeden asked if there is a rating system for prioritizing properties and where would the Golf Course proposal fit.

Mr. Tierney stated that he agreed with the EAC that we need a comprehensive stream study and stated support for the suggestion to use Temple University graduate students for that purpose.

Ms. Magliochetti stated that the EAC is developing a scope of work for a comprehensive plan for the watershed and that no property rating system has ever been proposed.

Ms. Ryan asked if funds from the General Fund would pay for the Engineer's time to develop Plan B.

Mr. Tierney stated that Plan B was basically the exact same plan to that currently proposed and the fee would be nominal.

Mr. Rattigan stated that design funds for the Falkensteins had already been approved and suggested that the Township Engineer determine the viability of Plan B, but the Falkensteins should use allotted funds for the design.

Ms. Magliochetti asked if the current plan for the Falkensteins had been done by the Township Engineer. She suggested the Falkensteins should be hiring their own engineer.

Following discussion, it was the consensus of the Board to have staff and available EAC members

conduct a site visit to the Golf Course to evaluate the proposal and report back to the Board at the next meeting and consider an alternative if warranted.

### **Canal Event Postings**

Discussion followed and a motion was made by Mr. Breeden and was seconded by Mr. Rattigan to authorize re-advertisement of the RFP for an Independent Rewards Consultant. Mr. Rattigan suggested that we reach out to potential firms as well posting the request on the Township website. Motion carried by a unanimous vote.

Mr. Breeden asked if this was a temporary or permanent part-time position. Mr. Nyman stated it was a permanent part-time position, but that all employees serve as at will employees. Following discussion, Mr. Nyman suggested that the position be re-evaluated as part of discussions for the 2016 budget. Motion carried by a vote of 3 to 2, with Mr. Breeden and Mr. Tierney voting in opposition.

### **Meeting Room Upgrades/Audio**

Mr. Nyman provided an overview of audio upgrades to the public meeting room and recommended accepting the proposal of Skotleski Productions for the Audio/Video Switcher and Assisted Listening System for a cost of \$8,257.00 installed. A motion was made by Mr. Rattigan and was seconded by Ms. Ryan to accept the proposal of Skotleski Productions for the purchase and installation of an Audio/Video Switcher and Assisted Listening System for a cost of \$8,257.00. Mr. Nyman stated that it is the intent of this upgrade to address previously noted ADA issues. Motion carried by a unanimous vote.

### **ENGINEER'S REPORT**

#### **Award Bid – 2015 Road Project**

Mr. Rossino provided an overview of the project and recommended awarding the bid to the lowest responsible bidder. Ms. Ryan noted that there was only one bid. Mr. Breeden stated he believed that was

due to the lateness of requesting bids. Mr. Rossino stated that other municipalities were also getting a minimal number of bids, that Harris was a local, reputable company and that the bid was more than \$350,000 below the budget estimate. Mr. Rattigan made a motion which was seconded by Mr. Breeden to award the 2015 Road Project to Harris Blacktopping, Inc. of Washington Crossing, PA in the amount of \$1,273,948.95. Motion carried on unanimous vote.

### **Engineer's Report**

He also stated that the Planning Commission would be considering the Woodhill Manor lot line change at their May 27, 2015 meeting. He reminded everyone that the EAC has Tree Grant opportunities available.

Mr. Cino announced that the following reports were included in the Board packets:

- Ambulance Report
- Fire Department Report
- Fire Marshal Report
- Public Works Department Report

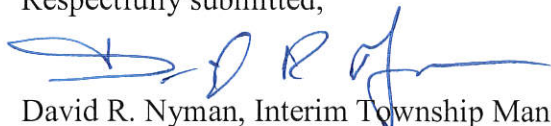

### **PUBLIC COMMENT AND MEDIA QUESTIONS**

Guy Polhemus, Upper Makefield, stated that the civility displayed by all at the primary election yesterday was counter to people saying that Upper Makefield is a disgrace. He stated that Upper Makefield is uniquely American, that we fight when we have something worth fighting for, but in the end we are neighbors, friends and all get along.

### **ADJOURNMENT**

A motion was made by Mr. Rattigan and was seconded by Mr. Breeden to adjourn at 8:33 p.m. Motion carried on unanimous vote.
