PUBLIC COMMENT

Vic Ameye, Washington Crossing, stated that he disagreed with the announced rate of increase provided in the recently approved Public Works contract. He suggested that the contract be given to the FAC for analysis.

Barbara Rintala, River Road, asked about not providing for Old and New Business on the agenda. Mr. Cino stated the policy for submission of business. She also asked about the automated speed sign and noise monitoring devices, specifically pointing out the noise from the New Jersey State Police firing range across the river. Finally, she asked why an elected auditor needed to file a Right to Know request for financial information.

Diana Nolan, River Crossing, suggested that the stipend provided to firefighters working for the Public Works department should be offered to all volunteer firemen. She stated concern about paid firefighters causing a divisive situation in the Fire Company.

Diana Kelly, Old Buckland Valley, stated it was inappropriate to kill deer in a development and questioned the appropriateness of it. She provided options for deer management aside from killing.

Ellen Lane-Novitz, Washington Crossing, thanked Ms. Caporiccio for solving broadcasting problems. She favors a virtual checkbook for the Township. She asked about bow hunting approvals. She stated her disapproval of the approval of the Public Works contract. She agreed that elected auditors should have full access to financial information without the need of a Right to Know request.

Motion carried on a 4 to 1 vote with Mr. Breeden voting in opposition.

Presentation of 2016 Preliminary Budget

Mr. Nyman provided a Powerpoint presentation of the 2016 Preliminary Budget for the Board's consideration, reviewing all Township funds.

Mr. Breeden stated that the EIT projection was not developed using sound methodology and would fall short. He stated that the budget contains no reduction in expenses and would support tabling it at this time.

Mr. Tierney agreed with Mr. Breeden and said that because there are a lot of questions, he would like it tabled as well.

Mr. Breeden stated this budget was a raid on the Open Space funds, citing a recent General Fund transfer and recent savings from re-financing.

Mr. Cino stated that he recognized the differences of opinion regarding additional borrowing instead of using available cash for additional preservation, but that this budget provides a 17% tax reduction and continues to fully fund the Capital Improvement program.

Mr. Breeden stated that the EIT projection needed more and better information.

Mr. Tierney, citing numbers provided by a member of the FAC at the last Budget Workshop, stated that the Open Space Fund millage was incorrect and that we should advertise an appropriate budget.

Mr. Rattigan stated that this preliminary budget was still subject to change following public review and comment and that the numbers provided by the member of the FAC were the opinion of one member.

A motion was made by Mr. Rattigan and was seconded by Ms. Ryan to authorize the advertisement of the 2016 Preliminary Budget. Following public comment, the motion carried by a 3 to 2 vote, with Mr. Breeden and Mr. Tierney voting in opposition.

Ellen Lane-Novitz, Washington Crossing, stated that she paid taxes for open space debt financing and doesn't believe that money could be used for anything else and requested that the Board delay the vote.

Dan Johansson, Upper Makefield, asked if the two million still available to be borrowed was in addition to the one million fund balance.

Barbara Rintala, River Road, stated she didn't see a problem with putting this budget out for public

review and questioned a delay.

Ron LaNasa, Washington Crossing, thanked the staff for their efforts, recommending approval of the motion, recommended providing funds for additional staff and elected official training and stated he was not in favor of borrowing money and paying interest when cash was available.

Mr. Cino recessed the meeting at 9:56 and reconvened at 10:01.

Mr. Breeden stated that an increase for staff of 0.25% as provided to Council Rock teachers was more in line than the proposed 2.5%.

Mr. Johannson again ask how the use of the open space fund balance would eliminate the ability to borrow.

Ellen Lane-Novitz again stated her tax monies are paid for debt payments and requested the Board put off the vote.

Bill Hoeffler, Washington Crossing, stated the Board should pass the motion and allow for public inspection. He further stated a charge that one of the candidates for supervisor's son did damage to Township property. When asked his source of information, he replied through the Freedom of Information Act, further when asked if he had filed a Right to Know to attain the information, he said no.

Mr. Cino again recessed the meeting at 10:20 and reconvened at 10:25 stating that additional public comment would be held until the end of the meeting.

Wastewater Treatment Plant Transfer to HOA Feasibility

Mr. Nyman noted the letter in Board packets which was sent to the DEP per Board direction inquiring about transferring ownership and perpetual maintenance responsibilities of the operation of the water and wastewater systems in the Township to the respective homeowners' associations.

Chief Mark Schmidt highlighted the Police Department Report. He further noted that Pineville Road is re-opened, that plans for the impact of the Papal visit have been completed and that the nationally advertised drug take back program would be delayed until October 17th in Bucks and Montgomery Counties due to the Papal visit.

Mr. Cino announced that the following reports were included in the Board's packets:

- Fire Department Reports

PUBLIC COMMENT AND MEDIA QUESTIONS:

Guy Polhemus stated that today is Yom Kippur, a day of reflection, and that dissension creates debate and scrutiny.

Mr. Breeden stated his opinion that Mr. Hoefer's comments were despicable for bringing up a child's misdeeds in a public forum.

ADJOURNMENT:

A motion was made by Mr. Rattigan and was seconded by Ms. Ryan to adjourn the meeting at 10:36 p.m. Motion carried on unanimous vote.

Respectfully submitted,
