

Upper Makefield Township Board of Supervisors
February 7, 2012 Meeting Minutes

The February 7, 2012 public meeting of the Upper Makefield Township Board of Supervisors was called to order by Chair Dan Rattigan at 7:35 p.m. In attendance were the following members of the Board of Supervisors: Chair Dan Rattigan, Vice Chair Bud Baldwin, Treasurer Mary Ryan, Member Larry S. Breeden and Member Tom Cino. Also in attendance were Township Manager Stephanie Teoli, Township Solicitor Mary Eberle, Esq., Township Engineer Larry Young, P.E. and Director of Planning and Zoning Dave Kuhns.

There were also members of the public and representatives of the press present.

PLEDGE OF ALLEGIANCE AND MOMENT OF SILENCE:

Mr. Rattigan led in the recitation of the Pledge of Allegiance which was followed by a moment of silence in memory of former Supervisor Dave Kulig.

ANNOUNCEMENTS:

Mr. Rattigan announced the passing of former Supervisors Dave Kulig and John Cupits and local businessman, Paul Wojciechowski. He expressed his sympathy to family and friends of all three. Members of the Board then provided comment on the contributions of Mr. Kulig.

Mr. Rattigan then announced the following:

- Representative Scot Petri would be holding a Town Hall meeting on February 15th at 7:00 p.m. at the Upper Makefield Fire Company.
- A joint meeting of the Board of Supervisors and the Environmental Advisory Council (EAC) will be held on February 21st 6:30 p.m.
- The Board of Supervisors will be accepting applications for two positions on the Historic Advisory Commission.
- There was an Executive Session held before the meeting.

PUBLIC COMMENT:

Ellen Lane-Novitz, Dunkin Drive, made a comment regarding her opposition to a Supervisor serving as a part-time snow plow driver. Ms. Teoli explained that the Public Works Department is always interested in supplementing its list of part-time drivers. She encouraged any resident with a Commercial Drivers License and a desire to serve as a part-time driver to send a letter of interest. Ms. Lane-Novitz then questioned the policy to allow Supervisors to call in to a Township Meeting. Ms. Eberle explained specific case law that allowed for this practice.

SPECIAL ITEMS:

Jeff Marshall of Heritage Conservancy outlined a proposal requesting that the township add Heritage Conservancy as a Land Trust Beneficiary to existing conservation easements that currently lack a third party interest. He explained that the EAC is supportive of this proposal as an added measure of insurance for long-term protection of the easements. Following discussion, a motion was made by Ms. Ryan and was seconded by Mr. Baldwin to proceed with making Heritage Conservancy a Land Trust Beneficiary to existing conservation easements that lack a third-party interest at a cost not-to-exceed \$37,000; and to amend the 2012 Open Space Fund Budget to include the cost.

Mr. Rattigan then asked for public comment.

Diane Kelly, Buckland Valley, expressed her support of the concept. She also encouraged the Board to consider holding a public forum regarding the Open Space Program.

Michael Murray, Washington Crossing, asked if there had been any problems previously with the easements. He further expressed his concern that the elected officials may be giving away too much power.

Pau Greger, EAC Member, explained that this issue has been considered thoroughly for more than a year by the EAC.

Mr. Rattigan then called the question, which was approved on a unanimous vote.

APPROVAL OF MINUTES AND BILLS PAYABLE:

A motion was made by Ms. Ryan and was seconded by Mr. Cino to approve the January 17, 2012 minutes. Motion carried by a unanimous vote.

Ms. Teoli directed attention to the bills list for February 7, 2012. A motion was made by Mr. Baldwin and was seconded by Mr. Cino to approve the February 7, 2012 Bills Payable list in the amount of \$179,352.19. Motion carried by a unanimous vote.

PLANNING AND ZONING ISSUES:

David Library Request for Inclusion in Agricultural Security Area

Mr. Kuhns presented information on the request by the David Library that two parcels totaling 69.42 acres be added to the Agricultural Security Area. Discussion followed, and a motion was made by Mr. Baldwin and was seconded by Mr. Cino to acknowledge the request of the David Library to amend the Agricultural Security Area, distribute the request to the reviewing agencies and provide notice as per the Agricultural Security Law. Motion carried by a unanimous vote.

Calkins Planning Module, 1087 General Greene Road

Mr. Kuhns outlined the proposed planning module. Discussion followed, and a motion was made by Mr. Baldwin and was seconded by Ms. Ryan to approve the Calkins Planning Module. Motion carried by a unanimous vote.

There was no Solicitor's Report.

MANAGER'S REPORT:

December 31, 2011 Financial Report

Ms. Teoli reviewed the highlights of the 12/31/11 Financial Report. (See attached.)

Duathlon Request

Ms. Teoli reported on the request to hold the 3rd Annual Bucks County Duathlon in Upper Makefield Township on Sunday, September 2, 2012. She explained that the request includes closing River Road for approximately two hours in the early morning hours for the safety of the bicyclists. The township would be reimbursed for any costs incurred in coordinating the road closures. After discussion, a motion was made by Mr. Baldwin and was seconded by Ms. Ryan to approve the request. Motion

carried on a unanimous vote.

Virtual Checkbook Report

Ms. Teoli provided a report on the concept of implementing a “virtual checkbook” in Upper Makefield Township. She explained that creating a virtual checkbook would include providing online access to a listing of all expenditures or payments made by the Township through its website. She provided an overview of the experiences of Lower Merion Township in Montgomery County, which implemented a virtual checkbook in 2011. Following Ms. Teoli’s presentation, Ms. Ryan suggested that the most cost-effective way to provide this information to residents in Upper Makefield Township would be to simply attach the “bills payable” list to meeting minutes that are posted online. Ms. Teoli pointed out that the posting of the bills payable list would provide even more information to the public than is typically posted on a virtual checkbook. A motion was then made by Ms. Ryan, seconded by Mr. Breeden to move forward with this recommendation. Motion carried on a unanimous vote.

ENGINEER’S REPORT:

2011 Capital Improvements Project Payment Request #3 (Final)

Mr. Young provided an update of the project and recommended approval of Payment Request #3 (Final) in the amount of \$19,269.89.
