

Upper Makefield Historical Advisory Commission (HAC) Meeting Minutes – May 4, 2015

Present: Amy Mclellan, Diana Kelly, Maureen Ferrazzi and Nancy Kovacevich
Supervisors' liaison: Larry Breedon

- 1. The previous meeting minutes which had been approved were sent to the Township.**
- 2. The Committee welcomed a new appointee Nancy Kovacevich.**
- 3. The Committee was visited by Mr. Hugh Shaudys . He presented to the HAC a copy of a map of early Dolington, an article about the Makefield Library from the Mercer Mosaic from September/October 1985 and a hand written synopsis of the history of Dolington. He was very engaging and informative. The current residents and residents of Upper Makefield have no idea of the complex and diverse socio economic life of the village. The village had a store, a library, the Meetinghouse was a center of religion and learning and not part of the original village. It was enlightening to hear a long time resident filled with such love and information about Dolington and the area near the village including Taylorsville.**

Respectfully submitted:
Maureen J Ferrazzi: Secretary
Minutes approved May 31,2015
