

Upper Makefield Historical Advisory Commission (HAC) Meeting Minutes – December 5, 2011

Present: Peter Crawford, Dick Quanstrom, Cynthia Maxel, Dave Kulig and
Maureen Ferrazzi

Absent: Erica Armour

1. Minutes – The Minutes from the 8-8-11 HAC meeting were approved via email and forwarded to the Board of Supervisors.
2. The Agenda items were Dolington Signs, Historic Overlay Ordinance, Review of Washington Crossing Inn changes.
3. Agenda item: Dolington Signs. What do they look like? Where are they going? Are they to signal the entrance to the Historic Dolington District? Are they to be on Stoopville Road to announce the area around the Veterans Cemetery? The Committee generated these thoughts on the signs. We need more information in order to make a recommendation.
4. Agenda item: Historic Overlay Ordinance. Dave Kulig reported that Bucks County Planning Commission Chairman Lynn Bush had contacted Jeff Marshall directly. The 3 townships Upper Makefield, Newtown, and Wrightstown are individually working on the topic and Jeff will act as the catalyst on this issue. We are awaiting his contact.
5. Agenda item: Inn renovations. Maureen brought in a computer and a projector in a vain attempt to read and understand the material which was given to the Committee. We had the following suggestions.
 1. Invite someone to bring in full size drawings and go over them to explain the intent.
 2. We need a summary from the architect of the historic impact of the changes to the Inn.
 3. If the planning Commission had a meeting with the parties to the Inn renovations notification would permit HAC attendance and input.

The meeting adjourned with the Committee thanking Dave Kulig and Dick Quanstrom for their service to the Committee and the Upper Makefield Community.

The next meeting will be agreed upon by e-mail after the Holidays.

Respectfully submitted:

Maureen J Ferrazzi: Secretary
