Breeden, Treasurer Mary Ryan, Member Dan Rattigan and Member Mike Tierney. Also in attendance were Assistant Township Manager Judy Caporiccio, Township Solicitor Mary Eberle, Esq., Township Engineer Douglas Rossino, P.E., Director of Planning & Zoning Dave Kuhns and Chief Mark Schmidt.

There were also members of the public and representatives of the press present.

**PLEDGE OF ALLEGIANCE AND MOMENT OF SILENCE**

Mr. Cino led in the recitation of the Pledge of Allegiance which was followed by a moment of silence.

**ANNOUNCEMENTS**

Mr. Cino made the following announcements:

- An executive session was held prior to tonight's meeting for land acquisition matters
- The next meeting will be held on Wednesday, November 4 at 7:30 pm

**SPECIAL ITEMS**

Mr. Cino presented a framed copy of a letter from Congressman Fitzpatrick commending the Township on being named one of the safest communities in Pennsylvania to Chief Mark Schmidt.

**PUBLIC COMMENT**

Ron LaNasa, Taylorsville Road, commented on the value of open space preservation, citing the groundwater recharge value of open space preservation.

AnnMarie Murray, Brownsburg Road, questioned why public comment has turned into a debate. She stated that there are dead patches along State roads and that she is concerned about invasive bamboo growth. She stated that the money spent on open space was one of our best investments.

Ellen Lane-Novitz, Washington Crossing, asked about the lights in the lower park at Washington Crossing Historic Park. She asked about the virtual checkbook and whether it would be included in the budget.

Dan Johansson, Washington Crossing, stated his opinion that department reports should be online, asked if there were any changes to the preliminary budget as advertised, asked about the open space borrowing ability and stated that the light at Taylorsville and 532 is off the pad. He asked about the status of the request to return the operation of the water treatment plants to the residents and requested a monthly update.

**APPROVAL OF MINUTES AND BILLS PAYABLE**

A motion was made by Ms. Ryan and was seconded by Mr. Rattigan to approve the Board of Supervisors meeting minutes of October 6, 2015 with the inclusion of Doug Rossino as in attendance. Motion carried by a unanimous vote.

Mr. Cino read into the record the bills for October 20, 2015. A motion was made by Mr. Rattigan and was seconded by Ms. Ryan to approve the October 20, 2015 Bills Payable List in the amount of

\$234,639.19. Motion carried on a unanimous vote.

### **PLANNING AND ZONING ISSUES**

#### **Ely Request for Inclusion in Agricultural Security Area, 401 Woodhill Road**

Mr. Kuhns provided information on the Ely Request that 26.999 acres be included in the Agricultural Security Area. After discussion, a motion was made by Mr. Rattigan and was seconded by Ms. Ryan to acknowledge the Ely request to amend the Agricultural Security Area, distribute the request to the reviewing agencies and provide notice as per the Agricultural Security Law. Motion carried on a unanimous vote.

### **SOLICITOR'S REPORT**

Ms. Eberle noted that the Solicitor's Report is in Board packets.

### **INTERIM MANAGER'S REPORT**

#### **Fund Balance Report**

Ms. Caporiccio noted that the September Fund Balance Report and the Budget vs. Actual Report are in the Board's packets.

#### **Resident Request – Earned Income Tax Penalty Waiver**

Ms. Caporiccio provided an overview of a resident's request to waive earned income tax penalties because he was unaware of the tax. Discussion followed and a motion was made by Ms. Ryan and was seconded by Mr. Rattigan to deny the waiver request. Mr. Tierney and Mr. Breeden were in favor of granting a waiver of the penalties. Motion carried on a 3 to 2 vote with Mr. Tierney and Mr. Breeden in opposition.

#### **Virtual Checkbook Report**

Ms. Caporiccio provided an overview of staff research of a virtual checkbook per Board request. It was found to be used for personal use but not for municipal use. There are significant security and costs issues to be addressed with a virtual checkbook and existing financial software is not compatible. A Board statement outlining the desired level of transparency and a policy establishing the level of website security would be recommended. A more protected website would be required. As an alternative, the current software is capable of generating a Bank Account Activity Report, which could be posted to the website separately from the minutes.

Mr. Breeden stated that more research was needed. Mr. Rattigan expressed concerns about cost, software support and questioned the need for additional research. Mr. Breeden stated that there is a need for total transparency, and there should not be a need for a right to know request to get real time financial information, contracts, invoices and ordinances. Mr. Tierney agreed that more background information is needed. Mr. Rattigan requested that Mr. Breeden better define what he is suggesting by way of email to the Board and staff. Ms. Ryan suggested that all Board members and residents consider suggestions for the website upgrade.

Dan Johansson requested that department reports be included on the website.

Ellen Lane-Novitz suggested that funding for the virtual checkbook be included in the budget.

Tim Thomas, Mt. Eyre Manor, suggested employing a computer consultant to assist with the website re-design.

Ms. Ryan reminded all that all ordinances are available online through a link.

### **NJ Shooting Range Report**

Per Board request, staff investigated the source of shooting sounds in New Jersey which may be heard in Pennsylvania. The sounds are from the New Jersey State Police target and training facility located at the Mercer County Correctional Facility.

Mr. Rattigan made a motion which was seconded by Mr. Tierney to direct the manager to obtain noise reading, contact the Hopewell Township manager to discuss concerns and review their ordinances and correctional facilities management to discuss their ordinances and our concerns.

Guy Scala, Bowman Tower Farms, said he spoke with the National Park Service regarding excessive noise and obtrusive activities. He suggested working with Hopewell Township officials to discuss suppression or reduction of the range operations and cited the use of large caliber and automatic weapons gunfire. Ms. Eberle suggested contacting the correctional facility and Hopewell Township, but noted the importance of quantifying the noise impact as a first step. Mr. Tierney asked if the homeowners association would pay for the certified audiologist evaluation.

Barbara Rintala, River Road, stated that this has been a use for a long time and may even be grandfathered, but she feels that the use has increased. She also stated that it has a negative impact on her property value and quality of life.

Vic Ameye suggested calling Hopewell Township to see if they already have noise level information before paying for an evaluation.

After discussion, the motion carried on a unanimous vote.

### **Resolution No. 2015-10-20-01 – Continuing and Improving Policy and Practice of Community Sustainability**

Ms. Caporiccio provided an overview of the resolution. At the September 23 meeting, Newtown Middle School student Sidney Gibson requested support from the Board to work with staff to submit an online application for Sustainable Pennsylvania Community Certification, which recognizes local governments on their policies and practices of sustainability. In order to achieve platinum certification, a resolution affirming sustainability policies and practices is required. Discussion followed and a motion was made by Mr. Rattigan and seconded by Ms. Ryan to approve Resolution No. 2015-10-20-01. Motion carried on unanimous vote.

### **Lookout Park Playground Equipment**

Mr. Caporiccio provided an overview of a request by the Park and Recreation Board for the 2015 purchase of Lookout Park playground equipment at a cost of \$13,259.20 and an estimated installation cost of \$10,000. Following discussion, a motion was made by Mr. Rattigan and seconded by Ms. Ryan to authorize the purchase of Lookout Park playground equipment from Costars vendor at a cost of \$13,259.20 with an estimated 2016 installation cost of \$10,000. Motion carried on unanimous vote.

Barbara Rintala expressed concerns about stormwater on her property from Lookout Park and inquired about mitigation efforts.

**Resolution No. 2015-10-20-02 – Adoption of 2016 Budget**

Ms. Caporiccio introduced the resolution and reviewed the budget process, noting that the preliminary 2016 budget has been advertised, made available for public inspection at the Township office, posted on the Township website and may be considered for adoption if the Board desires.

Mr. Breeden questioned the revenue projections, citing the Keystone Collections estimate of \$3,600,000 and stating that the methodology developed by the FAC last year would determine that the \$3,800,000 would never be achieved. He further stated that the shortcoming could be covered by reversing the transfer of the \$500,000 transfer of funds from the General Fund to the Open Space Fund.

A motion was made by Mr. Breeden and seconded by Mr. Tierney to adjust the EIT projections using the scientific method developed by the FAC and reverse the \$500,000 General Fund transfer to Open Space back to the General Fund. The motion failed by a 2 to 3 vote, with Mr. Cino, Mr. Rattigan and Ms. Ryan voting in opposition.

Mr. Cino cited the fact that currently the EIT revenue is tracking ahead of the projection, that the budget is consistent with last year, that a marginal increase in EIT is fair and conservative, and noted that collections have become more consistent. He further stated that there have been four opportunities for this discussion prior to tonight.

Mr. Rattigan stated that Mr. Breeden's argument is a flip from last year when he argued the opposite saying that the Keystone projection was always too conservative.

Mr. Breeden questioned the 2.5% raises for all employees, especially in light of the current contract discussions with the Police Union.

Mr. Cino stated that this Board has consistently worked to eliminate the real estate tax from the General Fund citing the strength of the EIT collections, restructuring of debt to save tax dollars, and that this budget is set up for continued savings.

Mr. Breeden stated that taxes have increased since he was on the Board.

Ms. Ryan stated that there had been no tax increase since he has been on the Board.

Mr. Cino stressed that staff has always worked to control expenses, that we consistently end up under budget in expenditures and have worked hard to restructure debt.

A motion was made by Mr. Rattigan and seconded by Ms. Ryan to adopt Resolution 2015-10-20-02 to approve the 2016 Budget.

Mr. Tierney stated that he considered there were too many unanswered questions to take action on the Budget tonight.

Dan Johansson stated that he continues to request additional information on the website.

Ellen Lane-Novitz questioned funding for the virtual checkbook. Mr. Rattigan stated it was a large project for consideration and required much more research with an unknown cost factor.

Mr. Rattigan cited the fact that expenditures for the past three years have regularly come in lower than projected and that budget figures are a benchmark number, subject to RFPs and bidding.

Mr. Cino stated that the Five Year Capital Expense Fund was an example of forward budgeting.

AnnMarie Murray stated the budget should be adopted as there have been more than sufficient meetings for this deliberation.

Mr. Cino stated the budget contains a 2 mil decrease and is reasonable, responsible and sustainable.

A vote was then taken on the motion to approve Resolution 2015-10-20-02. The motion was approved 3 to 2 with Mr. Tierney and Mr. Breeden voting in opposition.

**Resolution No. 2015-10-20-03 – Tax Levy**

After discussion, a motion was made by Mr. Rattigan and seconded by Mr. Cino to approve Resolution No. 2015-10-20-03. Motion carried by a 3 to 2 vote with Mr. Tierney and Mr. Breeden voting in opposition.

Mr. Breeden stated he was in favor of the tax decreases, but he feels that this budget is not sustainable. Mr. Tierney stated that the Open Space millage is too high.

Mr. Cino stated that open space debt service is greater than the projected revenue.

Mr. Breeden stated that there should be a new Open Space referendum if there are additional properties to buy.

**ENGINEER'S REPORT**

**Walker Road Subdivision – Construction Escrow Release #4**

Mr. Rossino provided an update of the project and recommended approval of Construction Escrow Release #4 in the amount of \$31,207.10. Mr. Rattigan made a motion which was seconded by Mr. Cino to approve Construction Escrow Release #4 in the amount of \$31,207.10. Motion carried by unanimous vote.

**Engineer's Report**

Mr. Rossino provided highlights of the Engineer's Report, which was in the Board's packets. He noted that Toll has offered a complete base and overlay repair of their portion of Creamery Road if the Township will initiate the 18 month maintenance period upon completion. Mr. Rattigan made a motion, seconded by Mr. Tierney to approve the offer from Toll for a Full Depth Reclamation resurfacing of their portion of Creamery Road, subject to oversight by Gilmore and Associates. Motion carried by unanimous vote.

Mr. Rossino also reported on the DCED grant status and the road re-surfacing projects.

**BOARD AND COMMISSION REPORTS**

Mr. Cino announced that the following reports were included in the Board's packets:

- Environmental Advisory Council – September 8, 2015
- Historic Advisory Commission – September 14, 2015
- Park and Recreation Board – September 14, 2015

He requested that the Board sign the lot-line change mylars following tonight's meeting.

### **Police Department**

Chief Schmidt highlighted the Police Department Report, and noted the success of the recent Drug Take Back effort. Mr. Breeden asked about the Jericho Run traffic study and was informed that the Department recommends that the speed limit signs remain for enforcement purposes.

Mr. Breeden also asked who in the Department is assigned to cyber activity.

Mr. Cino announced that the following reports were included in the Board's packets:

- Fire Department Reports
- Ambulance Report
- Fire Marshall Report
- Public Works Department Report

## **PUBLIC COMMENT AND MEDIA QUESTIONS:**

Tim Thomas restated his appreciation for the Open Space program and asked that the Board not tamper with it because it's what the residents voted for.

Ellen Lane-Novitz recommended a new Open Space referendum, suggesting \$50 million this time.

## **ADJOURNMENT:**

A motion was made by Mr. Rattigan and was seconded by Ms. Ryan to adjourn the meeting at 10:17 p.m. Motion carried on unanimous vote.

Respectfully submitted,

David R. Nyman
