ANNOUNCEMENTS

- The Board held an executive session prior to this evening's meeting for personnel matters. Another executive session will be held after the meeting for personnel and real estate matters.
- Fire Marshal John Kernan has written an informative article about modern house fires noting that they can burn 8 times faster than previously determined because of the lightweight construction materials used today to build houses and furnishings. This makes the need for smoke detectors even more important. Read Mr. Kernan's entire article on the township website and in the upcoming eNews. If you do not receive the eNews, please sign up on the homepage of the Township website at uppermakefield.org.
- The Co-Chair of the Upper Makefield Fire Company Buffet and Auction, Betsy Barry, has asked us to announce that the February 21 event has sold out. Tickets will not be available at the door. The Fire Company expresses its sincere thanks to the community for your support.
- At this time, we would also like to acknowledge the passing of former Supervisor Bill Gunser. Bill was a life-long resident of Upper Makefield Township, who was a third generation farmer of the family farm on Highland Road. Bill was an active member of the community. He served for 12 years as a Supervisor, hosted the community picnic for two years, was active in many organizations including the Future Farmers of America, Bucks County Farm Bureau (where he was a former director), Middletown Grange Fair (where he served as Fair President for 15 years), the Newtown Reliance Co., Bucks County Agway Board of Directors and the Holstein Association. Mr. Nyman assure him that shortly after the budget had been approved, he had advised the Township Engineer and the Public Works Superintendent to review the roads on our five year plan to prioritize and group them in the best fashion to expedite the repaving and they have already begun that process.

Mr. Breeden read his mission statement to the community.

ADJOURNMENT

A motion was made by Ms. Ryan and was seconded by Mr. Cino to adjourn the meeting into Executive Session at 9:06 p.m. Motion carried on unanimous vote.
