Riparian Restoration and Preservation Grant Fund Process Recommendations

Ms. Eberle provided an overview of the Environmental Advisory Council's recommendations to the Riparian Restoration and Preservation Fund policies and procedures as presented at the last meeting. These recommendations include a request for a change from the settlement parties to allow for funding of a watershed study in order to help provide a comprehensive plan and prioritize projects.

Secondly, the EAC recommends a change or clarification to allow use of fund monies for projects on stormwater management facilities that are located more than 200 feet from a stream bank if the project meets the goals of the fund.

A third recommendation involves changes to the application/review procedures which include creating project tiers to allow the project to begin with an EAC review, prior to review by the Township Engineer, particularly for low-impact projects involving only plantings. Additionally, a list of qualified professionals and contractors with experience in riparian design will be available to interested applicants.

The fourth recommendation is the UMTree Grant proposal. Cathy Magliocchetti, on behalf of the Environmental Advisory Council (EAC), provided an overview of the proposal via power point presentation to the Board of Supervisors. The program would be available to all residents and targets three areas of reforestation: riparian buffer areas, properties impacted by Hurricane Sandy tree loss and properties promoting wildlife habitat. The grants would be on a first come/first served basis and would be funded through the Tree Fund. The township would reimburse up to \$25/tree for regionally native trees with a maximum per parcel of \$300, plus up to 12 deer cages/netting at maximum cost of \$4/tree. Installation is not included in the program. The total cost of the expenditure from the Tree Fund would be in the amount of \$ 15,000.

Following discussion, a motion was made by Mr. Breeden and seconded by Ms. Ryan to authorize Ms. Eberle to prepare a Resolution amending the process consistent with the recommendations that were

outlined by the EAC. Motion carried by a unanimous vote.

MANAGER'S REPORT:

Fund Balance Report

Ms. Slook provided highlights of the Fund Balance Report. Mr. Breeden questioned whether the EIT reimbursement was from current year or previous year Earned Income Tax (EIT) revenue. Ms. Slook responded that she would look into the matter.

ENGINEER'S REPORT:

Deer Ridge Escrow Release No. 2

Mr. Young provided an update of the project and recommended approval of Escrow Release No. 2 in the amount of \$57,878.90. After brief discussion, Mr. Baldwin made a motion which was seconded by Ms. Ryan to approve Escrow Release No. 2 in the amount of \$57,878.90. Motion carried on unanimous vote.

Washington Crossing Visitors Center

Mr. Young also provided an update on the status of the project and summarized issues discussed at a meeting held at the Washington Crossing Visitors Center on February 14th:

1. Timers for the Light Fixtures. Upper Makefield would like to see the timers set for the "normal hours" of business with a manual override for infrequent events that occur after the "normal hours".
2. Right turn only for the buses. DGS will either provide an existing letter that says Penn Dot will not accept a right turn only movement at the bus drop-off or will ask Penn Dot issue a letter stating the same. Penn Dot is the owner of River Road and they will have the final say.
3. DGS will provide As-Built's approximately 90 days from project completion.

BOARD AND COMMISSION REPORTS:

Mr. Rattigan announced that the following reports were included in the Board packets:

Mr. Rattigan proposed a phase-in of the proposal on a limited basis to control and monitor costs. Discussion occurred among the Board of Supervisors regarding the effectiveness of the phase-in program, and deer population in the Township.

Following discussion, Mr. Cino made a motion to rescind the previous motion approving the expenditure of \$ 22,000 to pay Eccologix for deer management services. The motion was seconded by Mr. Breeden. The motion was passed with a 3 to 2 vote with Mr. Rattigan and Mr. Baldwin voting no.

Upper Makefield Non-Uniformed Employee Healthcare Plan

Mr. Breeden reminded the Board of Supervisors of the directive given to the Township Manager to review the Township's Healthcare Plan for Non-Uniformed employees within her first ninety days of employment. Mr. Breeden inquired of Ms. Slook as to where she was in the process of reviewing the plan and providing recommendations for the Board to review. Ms. Slook advised the Board of Supervisors that she is meeting with representatives from Delaware Valley Health Insurance Trust (DVHIT) on February 27th to review potential cost savings for the Township's medical plan. Ms. Slook also informed the Board that representatives from DVHIT will be at the Board of Supervisors meeting on March 19th to present an overview of DVHIT, the plan and what current options the Board has to reduce the cost of the Township's medical insurance premium.
