PUBLIC COMMENT

Ronni LaNasa, Washington Crossing, acknowledged the Police officers recognition, Mr. Cino's chairmanship and Mr. Tierney's first year as a supervisor. He stated the Township had over achieved in its 2014 budget. He stated the open space program is a smashing success and urged the Board to retain the talent it has on the various Township committees at re-organization.

Ellen Lane Novitz, Washington Crossing, asked if there were multiple trash haulers available in the Township.

Joe Linus, Traditions, acknowledge the budget slide presentation at the last meeting and stated he was happy with the budget lowering the taxes by 1 mil, accelerating the road re-surfacing program and performing a strategic review of the open space program.

Resolution No. 2014-12-16-02 – Adoption of 2015 Budget

Mr. Cino provided a brief overview of the budget process stating the similarities and difference in the two budget proposals under consideration.

Mr. Breeden stated that the Township could eliminate 1 mil of General Fund taxes delineating the fat in the budget and still have a \$1.5 million reserve. He further stated that the Open Space Fund had a \$1.3 million surplus and could be reduced by 5.6 mils for 2015, thereby eliminating the programmed over-taxation. He favors a review of the open space financing, but considers it independent of reducing the existing cash reserve.

Mr. Rattigan reviewed the Budget process which started in September. He stated the proposed costs of new police would be offset with grant funding initially, that the asphalt costs were projected estimates, that the Public Works building addition has been proposed since 2007, that the new dump truck was not scheduled until 2017 and that Open Space refinancing and paying down the debt was comparable to refinancing a home mortgage.

Mr. Tierney stated that all budget requests had been granted in full and suggested consideration of using County Sheriff deputies on their off hours as part time police officers. He stated the Public Works addition was over-estimated and that he opposed paying down the open space debt now, preferring to get a reduced tax benefit now.

A motion was made by Mrs. Ryan and was seconded by Mr. Rattigan to approve Resolution No. 2014-12-16-02. Following public comment, the motion carried on a 3 to 2 vote with Mr. Tierney and Mr. Breeden in opposition.

Ludson Worsham, 104 Spencer Road, stated he would like the millage reduced.

Joe Linus, Traditions, acknowledged the budget surplus and necessary debt payments stating we should use cash instead of borrowing for new open space acquisitions and develop a sustainable tax reduction strategy.

Vic Ameye, East Grant, stated the budget cycle is an annual event, revenue should cover budgeted expenditures and taxes should be determined annually.

Ellen Lane Novitz, Washington Crossing, asked if the open space reserves could be used to purchase additional open space. Ms. Eberle indicated that it could. Ms. Novitz likes the idea of a one time tax reduction.

Gabe Boland, 210 Heron Court, questioned how long the open space options on the table were viable.

Jim Nolan, River Crossing, suggested borrowing the entire \$31 million because borrowing was cheap now and the tax savings important.

Diane Nolan, River Crossing, stated she had done much door knocking and taxes were the topic and people want the surplus returned as people are being taxed out of their homes.

Mary Lou Gaffney, Ely Farm, stated as a nurse she understood the value of overtime and suggested that the police officers may prefer more overtime opportunities rather than hiring additional officers

and that overtime would be cheaper.

Rich Krollman, Washington Crossing, stated we should consider a millage reduction, but that the newly formed FAC should be allowed time to perform a detailed review to determine the sustainability of any millage reduction.

Fred Weinberger, Shires Crossing, stated that Mr. Tierney's ideas were excessive and that the Board should consider a compromise solution.

Tim Thomas, Mt. Eyre Manor, stated that Township services are exceptional and supports the proposed 1 mil reduction.

Ronni LaNasa, Washington Crossing, stated the Board should allow the committees to have specific assignments and perform a review in the public forum, seek EAC review of the Open Space program and take advantage of the current window for re-financing debt. He opposes "yo-yo" taxation and prefers to pay down the debt with reserves.

Diane Kelly, Buckland Valley Farms, stated there was good in both proposals and despite preferring a tax reduction, would not be unhappy with whatever the Board decided.

Andrea Spray, Buckland Valley Farms, supports a millage decrease in the open space fund even though it would be temporary.

Carol Ann Sasso, Jericho Mountain Road, reminded the Board of a 2010 proposal to raise taxes and suggested taking a sampling of those present before voting. She suggested removing personalities and compromise.

Wayne Moser, Mt. Eyre Manor, suggested paying down debt to reduce the principle.

Mr. Breeden stated he does not understand the need to have the open space millage higher than necessary to meet debt payments.

Mr. Cino stated that the positive cash flow is attributed primarily to EIT income, that the majority of the millage was for open space program, that his decision to support the proposed budget was in the best interest of the entire community and future reductions should be based on long-term evaluation.

Mr. Tierney suggested a polling of the audience and asked if a decision on the budget could be postponed.

Mr. Breeden reiterated that he does not understand the misconception that the surplus should be connected to a study of the open space program.

Resolution No. 2014-12-16-03 – Tax Levy

Mr. Cino introduced Tax Levy Resolution No. 2014-12-16-03. After discussion, a motion was made by Ms. Ryan and was seconded by Mr. Rattigan to approve Resolution No. 2014-12-16-03.
