Upper Makefield Township Board of Supervisors February 21, 2017 Meeting Minutes

The February 21, 2017 public meeting of the Upper Makefield Township Board of Supervisors was called to order by Chair Dan Rattigan at 7:30 p.m. In attendance were the following members of the Board of Supervisors: Chair Dan Rattigan, Vice Chair Tom Cino, Treasurer Mary Ryan, Member Diana Nolan and Member Mike Tierney. Also in attendance were Assistant Township Manager Judy Caporiccio, Township Solicitor Mary Eberle, Esq., Director of Planning & Zoning Dave Kuhns and Chief Schmidt.

There were also members of the public and representatives of the press present.

PLEDGE OF ALLEGIANCE AND MOMENT OF SILENCE

Mr. Rattigan led in the recitation of the Pledge of Allegiance which was followed by a moment of silence.

ANNOUNCEMENTS

Mr. Rattigan announced that there are currently vacancies on the Zoning Hearing Board, Historic Architectural Review Board, Financial Advisory Committee and Investment Committee. Residents interested in volunteering are invited to submit a volunteer application board, found on the Township website.

SPECIAL ITEMS

Mr. Rattigan introduced Park Manager George Calaba, who provided an overview of planned improvements, activities and staffing growth at Washington Crossing Historic Park and expressed appreciation for the positive working relationship with Township staff. He referenced the Master Plan and will share a link of the plan to post on the Township website. The Board thanked Mr. Calaba for the positive changes and progress at the Park. Mr. Tierney inquired about potential changes at the wildflower preserve, and Mr. Calaba said that DCNR is working to renew the existing agreement.

PUBLIC COMMENT

Ron Smolow, Three Ponds Lane, asked about the status of a cost study for Township plowing of undedicated roads. The Township Manager will provide follow up. Mr. Smolow then inquired about which requirements PECO is subject to follow when removing trees. Ms. Eberle cited case law placing the Public Utility Commission (PUC) as the only agency overseeing the operation of public utilities. Mr. Smolow suggested that the Board consider joining with other municipalities to seek State legislation which would require utilities to meet local zoning. Mr. Rattigan then provided an explanation of that process through local and county organizations.

Dan Johansson, Upper Makefield, questioned whether PECO consults with tree experts for advice on tree trimming, cutting and maintenance. Mr. Kuhns relayed that PECO has advised that they have a professional arborist on staff to assist with projects. Mr. Cino suggested regular project updates at Board meetings.

APPROVAL OF MINUTES AND BILLS PAYABLE

A motion was made by Mr. Cino and was seconded by Ms. Nolan to approve the February 7, 2017 meeting minutes. Motion carried by unanimous vote. Ms. Ryan shared a concern expressed to her that each supervisor's vote is not always audible for the record.

Mr. Rattigan presented the bills list for February 21, 2017. A motion was made by Mr. Cino and was seconded by Ms. Ryan to approve the February 21, 2017 Bills Payable List in the amount of

\$92,247.17. Motion carried by unanimous vote.

PLANNING AND ZONING ISSUES

Three Ponds Lane Community Association Zoning Hearing Board Application

Mr. Kuhns provided an overview of the appeal from the action of the Code Enforcement Officer for the issuance of a building permit for construction of a warehouse storage building at 1151 Eagle Road. Mr. Tierney questioned the potential legal costs to prepare Mr. Kuhns for the hearing.

SOLICITOR'S REPORT

Floodplain Ordinance Amendment

Ms. Eberle provided an overview of the amendment to the floodplain ordinance to require permits for minor repairs and to mandate that no variances will be granted from certain requirements of the ordinance. The amendments are necessary in order to comply with FEMA regulations and maintain eligibility for NFIP flood insurance. A motion was made by Mr. Cino and seconded by Ms. Nolan to authorize advertisement of the Floodplain Ordinance Amendment. Mr. Tierney expressed concern that some of the prohibitions regarding the storage of chemicals could negatively affect farmers, and Ms. Eberle stated that the amendments refer to new or substantially improved structures. Staff will research whether any existing farms are located entirely in a flood plain. Following discussion, the motion carried by unanimous vote.

ASSISTANT MANAGER'S REPORT

Resolution No. 2017-02-21-01 - Disposition of Records

Ms. Caporiccio provided an overview of the resolution for the Disposition of Records noting that the appointed auditor has indicated that the Township does not need to maintain the listed items. At the Board's request, staff also solicited cost information for scanning the documents in the 23 tubs. Costs ranged from a flat rate of \$6,000 to \$0.25/page. Following discussion, a motion was made by Ms. Ryan and seconded by Ms. Nolan to approve Resolution No. 2017-02-21-01. Motion carried by a unanimous vote.

Mr. Johansson, Upper Makefield, requested assurance that no records would be disposed of which might impact current or pending litigation. Ms. Eberle stated there was no concern in that regard.

FIRE COMPANY FLYER

Ms. Caporiccio referenced a flyer prepared by Ms. Hosie and members of the Upper Makefield Fire Company following Ms. Hosie's presentation of the FAC's review and recommendations for the fire company at the last meeting. Staff would like to help distribute the promotional flyer and include it with an upcoming mailing to residents. Board consensus was supportive of the request.
