

Upper Makefield Historical Advisory Commission (HAC) Meeting Minutes –December 4 2017

Present: Amy Mclellan, Diana Kelly, Virginia Cleary and Maureen Ferrazzi

1. The Committee researched the dates for the Upper Makefield part of the signs. We have upon referencing multiple sources including the Early History of Upper Makefield Township by Jeffrey L. Marshall for the Upper Makefield Historical Society decided that the date of 1682 is appropriate.
2. The research shows that the circa 1750's for Dolington is appropriate.
3. The two colors selected for the aluminum signa are gold letters on a field of red/maroon.
4. We voted and the HAC has authorized Virginia Cleary to contact Bob Shaw Signs of Doylestown. They are located at 54 East State Street Doylestown phone 215-348-4250.
- 5.

The Board adjourned with the next meeting set for 2018.
