

Upper Makefield Historical Advisory Commission (HAC) Meeting Minutes –May 7, 2018

Present: Amy Mclellan, Diana Kelly, Virginia Cleary and Maureen Ferrazzi

1. The Committee examined the 2 signs fabricated by Bob Shaw in Doylestown. Ginny Cleary discussed the process and the Committee voted and approved the signs. She explained to us that the future signs have a 30day agreement on the fee. We understand that any future signs must be ready to go within that time frame.
2. The remaining signs are:
 1. two-sided sign for Taylorsville date circa 1699
 2. one sided sign for Buckmanville date circa 1820.
3. The only research needed is to work on finalizing the rest of the villages signs.
4. The Committee praised the work done by Francesca Ferrazzi on the Upper Makefield Crest on the completed signs. The work was developed from the Seal of the State of Pennsylvania, the County Seal and the original artistic work by Francesca.
5. The Board adjourned with the next meeting set for June 2018.

Respectfully submitted:

Maureen J Ferrazzi: Secretary
