

Upper Makefield Historical Advisory Commission (HAC)

Meeting Minutes November 5, 2018

Present: Diana Kelly, Virginia Cleary, Ellen Goldblatt and Maureen Ferrazzi

1. The Committee met with the Zoning Department David Kuhns. Dave gave each of us a map of the villages of Upper Makefield. They include Taylorsville, Buckmanville, Brownsburg, Woodhill and Dolington.
2. The members examined each map and selected the generalized area where we would prefer to see the road department install the signs. Each sign is meant to show the local importance of each village. They are not only a marker but an acknowledgment of the beauty and historical importance of Upper Makefield Township.
3. The Committee unanimously voted to alter our monthly meeting time. We agreed to meet on a As Needed basis.
4. The last monthly meeting will be on December 3, 2018.
5. For the coming year 2019 we will meet on an As Needed basis.

The Committee adjourned until the next meeting.

Respectfully submitted:

Maureen J Ferrazzi: Secretary
