

Upper Makefield Historical Advisory Commission (HAC) Meeting Minutes October 21, 2019

Present: Diana Kelly, Virginia Cleary, Ellen Goldblatt, Laura Moses , Maureen Ferrazzi
Supervisor Kris Ballerini

1. The Committee decided on the main design of the 4 crafted by Francesca.
2. Ginny picked up and presented the double-sided banner in the same palette as the village signs.
3. We all loved the banner and noticed a few changes needed on the secondary side.
4. Laura is working on finding brackets.
5. Kris will reach to the Delaware River Bridge Commission about the light post near the bridge entrance area.
6. We discussed a descriptive line for the banner about Taylorsville. We will work on this for the next meeting. We want Public Works to be precise on the specific light post that will take the banners.

The Committee adjourned until the next meeting in December,2019.

Respectfully submitted:
Maureen J Ferrazzi: Secretary
