

Address Sign Purchase Form

In order to help emergency responders locate a property, township ordinances require that all properties be properly identified. The reflective address signs offered by the Township are ordinance compliant.

The personalized signs are 18" x 6" with a reflective green background and white numerals with pre-punched holes for mounting. The cost of the sign is \$12 and payment is required prior to ordering.

They can be mounted vertically or horizontally and come with mounting hardware.
