Welcome!

The Bucks County Senior Games (BCSG) combine sports and recreation with fellowship among everyone involved.

As in past years, the BCSG will be held at various locations throughout the county. The mission of the BCSG is to bring awareness to the importance of staying physically and socially active at every stage and age of life.

Join Us for the 39th Annual Bucks County Senior Games!!!

The Bucks County Area Agency on Aging and our partners—Bucks County Department of Parks & Recreation, Bucks County Community College and the Senior Games Committee—invite you to the 2022 Bucks County Senior Games. We encourage residents age 50+ at all levels of ability to compete and make new friends in a relaxed, friendly atmosphere. Billiards, Bocce, Disc Golf, Bowling, Chess, Darts, Pickleball clinic, and virtual board games are just a few of 28 event offerings. This year we're thrilled to offer our first ever Kick-Off event, which is featured in the following pages.

The 2022 Senior Games are supported by the Bucks County Commissioners and made possible with the help of many people and organizations: individuals who generously volunteer their time and expertise to help organize and run the events; and local business, non-profit organizations and governmental entities who provide financial and in-kind donations. We call attention to our Senior Games Committee members and the entities who are kindly donating the use of their facilities or sponsoring events:
