

Electrical Permit Application

All projects that include electrical work must be permitted. Plans of electrical work must be reviewed by a third party electrical agency for approval. The electrical plans must be approved prior to the issuance of a permit from the Upper Makefield Township Planning & Zoning Department. All electrical inspections must be performed by the same agency, arranged for and paid by the Builder / Homeowner.

Applications not complete are subject to delays in processing.
Any misrepresentation of information is a violation of Township Ordinance
