

**Upper Makefield Township, Newtown Township, Northampton Township &
Newtown Borough Police Announce the 8th Annual “Shop With A Cop”
December 6th, 2025**

Shop with a Cop is a national program pairing police officers with children to afford them a better holiday season. This will be the eighth Shop with a Cop event that Upper Makefield Township, Newtown Borough, Newtown Township and Northampton Township Police Departments will participate in. The program allows children to view police officers in a different atmosphere which helps promote positive relationships. The Shop with a Cop program is funded solely through the generosity of our local community’s residents and businesses. Volunteers from the School Districts and different community agencies assist with gift wrapping, hosting, and registration.

Police Officers from Upper Makefield Township, Newtown Borough, Newtown Township and Northampton Township volunteer their personal time to support the program. We anticipate that over 375 children will participate in the program this year. The program’s participants are elementary and middle school students throughout the Lower Bucks County School Districts. These children face life challenges such as a parent losing a job, homelessness, military deployment, economic shortcomings, and other hardships. Each child is allotted a monetary gift card to purchase gifts for themselves and their family members, allowing for a more enjoyable holiday.

We would like to thank Target for hosting the program and for providing much needed supplies to make this event a success. A special thank you goes to all our

wonderful volunteers, our local community partners, and the Council Rock and Neshaminy School Districts for supporting this program.

If you would like to donate, we kindly ask that you donate by December 4, 2025, to ensure all funds are available for the children on the day of the event.
