RE: MONTHLY POLICE REPORT

July Fourth (Special 250 Celebrations)

The annual Rev-Run (44 out of possible 46) was held. UMBA reports that 1,660 runners signed up for the three races. I am happy to report that even with the high humidity and temperatures, there were no medical incidents reported. Later that same day DCNR and Friends of Washington Crossing Park held a combined reenactment/concert/fireworks event lasting many hours. Early estimates placed roughly 8,000 in attendance for the fireworks finale. The fireworks display was held half an hour early due to a change in the weather bringing a violent thunderstorm to the township. During this event 5 medical calls requiring subjects to be transported to the hospital were reported. Even with the storm raging, Officers cleared the Crossing area within a couple of hours with no vehicle incidents to report.

MOTOR CARRIER ENFORCEMENT

June 17, the team met on RT32 at Lookout Park. The inspection of 8 commercial vehicles took place yielding 6 traffic citations, 5 equipment warnings, 5 out of service citations, 2 vehicles placed out of service and towed from scene.

TraCs report

Officers using the TRaCs system having 108 contacts issued the following for June 2026, 111 warnings, 54 citations and investigated 6 reportable accidents.
