Re: Mt. Eyre Manor – Request for In-Person Meeting

Dear Secretary Shirley:

I am writing to request an in-person meeting between yourself and the residents of Mt. Eyre Manor regarding the ongoing impact of the jet fuel leak that has affected the neighborhood since at least 2025.

This has been an ongoing concern for the affected residents, and we believe an in-person meeting would provide an important opportunity for DEP to hear directly from the community. Your presence will demonstrate DEP's commitment to holding Energy Transfer accountable for their actions.

Thank you for your consideration. We look forward to working with you to arrange a meeting with the community.

Sincerely,

Ben Weldon
