MAKE A KIT

Build an Emergency Go-Kit

Keep supplies in an easy-to-carry container in case you need to leave quickly.

Water: 1 gallon per person per day for 3-5 days.

Nonperishable food for 3-5 days.

Manual can opener and utensils.

Flashlight, battery-powered radio, chargers, and extra batteries.

First-aid kit and prescription medicines.

Clothing, sturdy shoes, blankets, and rain gear.

Cash, identification, keys, and copies of insurance and important documents.

Supplies for infants, older adults, people with disabilities, and pets.

Masks, sanitation supplies, whistle, duct tape, and basic tools.

MAKE A PLAN

Your household emergency plan

Talk with everyone in your household before an emergency.

- ☒ Plan for two ways out of every room.
- ☒ Choose a meeting place near home and another outside your neighborhood.
- ☒ Pick an out-of-area contact everyone can call or text if separated.
- ☒ Review school, workplace, child-care, and senior-care emergency plans.
- ☒ Include pets, medications, mobility needs, and medical equipment.
- ☒ Store copies of important documents safely and digitally.

Review and practicing your plan at least every six months.

BE INFORMED
