Brownsburg Park Snack Bar Proposal – Boy Scout Troop 99

Assistant Scout Master Syd Heese of Boy Scout Troop 99 outlined a proposal to operate the Brownsburg Park snack shed on weekends during the fall soccer season as a way for the scouts to raise money for equipment, trips and training while providing a community service. A portion of the profits would be shared with the township. Staff has contacted UMNSC, and they are in favor of this plan.

The board was supportive of the proposal and requested that the scouts discuss the details and dates with the soccer club. This item will be added to a future agenda for further discussion of those details as well as a fee structure.

Fundraising and field use fee discussions continued, and a recommendation will be developed for inclusion in the 2012 budget request.
